

Following Hippocrates

James S. Huntley

(Fam Med. 2021;53(8):723.)

doi: 10.22454/FamMed.2021.889714

This brief life, a bird in flight:
a fortunate man and witness.

I should carve stone
at least commit to print

My dues, my thanks, to
Hippocrates of Kos: his blood
And his descendants.

Knowledge and craft: talents freely given.
Mindful of my debts:
I will unbind the wings of others
And watch them fly.
